HEALTH PLAN 
Brought to you by Hometown Health

Health* 

The Hometown Health Provider Directory is designed to give you the information you need to select a healthcare provider. Information includes provider location and contact information, specialty, and language spoken.

As a Renown Health Plan HMO member, you must select a Renown Health Plan Primary Care Physician (PCP) from the PCP section of the Provider Directory. Renown Health Plan HMO members may only utilize services from providers and pharmacies in the Renown Health Plan Network.

URGENT CARE

Urgent Care centers are for medical problems that are urgent but not life-threatening. Urgently needed care is when you need medical help for an unforeseen illness, injury, or condition, but your health is not in serious danger. Most centers are open evenings, weekends and holidays. Please contact the Urgent Care center to confirm their hours of operation. The continued participation of any one provider cannot be guaranteed.
